To Whom It May Concern:

As a family member with several loved ones buried at West Memory Gardens, I support funding to resolve the infrastructure issues at West Memory Gardens in Moraine, Ohio.

I spend a lot of time visiting the graves of Marion Munday, Ariel Martin, Ava Martin, Niema Thompson and Linda Munday being a voice for them when they can't speak for themselves I am urging support for this project.

StoneMor has made a huge investment in West Memory Gardens and the staff at the cemetery on a daily basis work to honor my family members but as a community we need to assist in this correction. My family and the other families at the cemetery who have laid their loved ones to rest deserve the best.

Sincerely,

Tonya Munday
